

Distribution of participating associations among host associations

Registration of boat trailers

In the weeks preceding the H4K weekend, boat trailers must be registered. This should be done at the Amsterdam Rowing Associations to which the participating associations are linked.

Registration:

Register the boat trailer with the following information;

- Name of transporter
- Name of driver and contact information (including mobile number)
- Arrival date, estimated arrival time
- Quantity of boats per type

Send the information to (see distribution below):

- Boat trailers assigned to RIC: gebouw@ricamsterdam.nl
- Boat trailers assigned to W3: matcom@willem3.nl
- Boat trailers assigned to Skøll: gebouw@skoll.nl
- Boat trailers assigned to Poseidon: voorzitter@rzv-poseidon.nl

If possible, unload directly and park elsewhere

The large boat trailers heading to Jan Vroegopsingel will have a designated spot where they do not need to be unloaded immediately. Smaller boat trailers should be unloaded as much as possible immediately. The boats should then be placed in the racks and not left on blocks or tresties, as this limits the available space.

An empty boat trailer & cars can be parked at the premises of the Police Training Center, behind the Rozenoordbrug. An empty boat trailer & cars may be parked there from Friday afternoon 15-03 until Sunday evening 17-03 at the latest. The area at Jan Vroegopsingel under the Rozenoordbrug may also be available.

Note: All boats must be removed from the racks by Sunday evening at the latest!

Jan Vroegopsingel
